

Rally Insurance Specialists

Worldwide Motorsport Insurance provided by Motorsport Insurance Services

Motorsport Insurance Services will be sponsoring Chris Van der Drift at the Pro-Am karting fundraiser at Daytona, Milton Keynes on Tuesday 7th September 2010.

On the 1st August Superleague driver Chris Van der Drift had a massive crash at Brands Hatch, which resulted in a dislocated and broken ankle, broken wrist, broken finger, 2 broken ribs, cracked shoulder blade and mangled left index finger. Chris is lucky to be alive. His crash had the second highest recorded G-force that a driver has survived. Sadly, Chris had no Personal Accident cover in place at the time of his accident.

MIS were approached to see if we could help and we wanted to show our support so we offered to sponsor this fundraising initiative. Chris's unfortunate situation highlights the risks involved in motorsport and the need for competitors to take out Personal Accident Insurance. He is now in discussions with Motorsport Insurance Services to make sure that he has adequate insurance cover in the future, and he recommends that other drivers make the same enquiries.

Motorsport Insurance Services provide a comprehensive range of insurance products for those involved in competitive motor sport activities.

Use our online quotation system and get a quote within 24 hours.
